FINAL TRIBUTES. SERVICES IN MEMORY OF THE LATE JAMES BARBOUR.

The remains of the Hon. James Barbour reached this city from Clifton Springs, N. Y., at 1:30 Saturday afternoon and were at once taken to his late residence at the Bank of Maysville.

During the afternoon, evening and throughout yesterday the familiar face was viewed by hundreds who had loved him in life and who now revere his memory.

At 4 o'clock yesterday afternoon the body was borne to the First Presbyterian Church, where impressive religious rites were held, his Pastor, the Rev. John S. Hays, D. D., being assisted by the Rev. W. O. Cochran of the Central Presbyterian Church.

Dr. Hays spoke with deep feeling of the extended and intimate relations that had existed between Mr. Barbour and himself, and deplored the loss that both community and Church had sustained by his death. He briefly reviewed the public services of deceased, and made an eloquent appeal to young men to fit themselves for the places that had so recently been made vacant by the loss of such representative citizens as Wadsworth, Cochran, Cartmel and Barbour. Several times the speaker was visibly affected, and it was with great difficulty that he restrained his emotions.

The Oddfellows, to the number of about 130, escorted the body to the Church, and at the conclusion of the services they returned with it to the residence.

The pallbearers were Messrs. A. M. J. Cochran, M. C. Russell, James Smith, James Barbour Russell, C. M. Plaster, N. Cooper, Robert A. Cochran and R. K. Hoelich.

ACTION OF THE MASON BAR. MAYSVILLE, Ky., Sept. 19th, 1896. At a meeting of the members of the Bar of Mason County, held on this day at the Courthouse to take action relative to the death of Hon. James Barbour, a member of said Bar, on motion Judge Emory Whitaker was chosen Chairman and George W. Sulser Secretary of the meeting.

On motion, Thomas A. Respass, Judge G. S. Wall, E. L. Worthington and John G. Hickman were appointed to prepare suitable resolutions of respect, with instructions to have the same published in the newspapers of the city, a copy furnished to the family of the deceased and report said resolutions to the Mason Circuit Court and Mason County Court at their next November term.

EMORY WHITAKER, Chairman. GEORGE W. SULSER, Secretary.

WHEREAS, The members of the Mason Bar and the officers of the Mason Circuit and County Courts have learned with profound sorrow of the death of our esteemed associate, James Barbour, who has been suddenly cut down in the maturity of manhood and usefulness; therefore,

Resolved, That we, his brother members of the Mason Circuit and County Courts, have met on this mournful occasion to render to our deceased brother a last and well merited tribute of our respect for his memory. Just and upright in all things, his walk in life was peaceful and unassuming, virtuous and dignified, and we are at a loss which most to admire—his unswerving integrity as a gentleman, his ability as a lawyer or his irreproachable and exalted character as a man.

Resolved, That as his daily associates and friends in social and professional life we most deeply deplore his loss, and feel that one of the worthiest citizens in our land has been stricken in the midst of his usefulness, and one of the ornaments of our profession has departed forever.

Resolved, That we most sincerely sympathize with his bereaved family and relatives, and respectfully offer them the testimony of our condolence.

Resolved, That a copy of the proceedings of this meeting be forwarded to the family of the deceased.

Y. M. C. A. DOINGS. Tickets for Mills Lecture and Items of Interest.

Between forty and fifty men were present at the Rally in the Association Hall on Sunday afternoon and listened to an interesting and very impressive talk by State Secretary Roosevelt on the great choice of life and the inestimable good that comes to the man who decides to serve God and his fellow men.

The Rally was closed earlier than usual, in order that those present might attend the funeral of Mr. James Barbour. Before the meeting and immediately following it, Mr. Roosevelt was introduced and given a cordial welcome.

The exchange tickets for the lecture by Rev. B. Fay Mills, which is to occur at the Opera-house next week—Wednesday—are being distributed today among the members and in the stores of the city.

In order that there may be no misunderstanding the Association Committee in charge wish it stated that every seat in the Opera-house is to be reserved, all the floor and the balconies at 35 cents; and all the tickets now being sold must be exchanged for the reserved seat coupons at Mr. Nelson's store on Monday next, or any time between Monday and Wednesday, the date of the lecture. As the Association, in providing this lecture, is not seeking primarily to make money, but rather to give the people of our city an opportunity to meet and hear the most prominent and highly successful Evangelist of today, it is, therefore, expected that our citizens will show their appreciation of the Association's efforts by securing Mr. Mills by attending the lecture in such numbers as to fill every seat and crowd the Opera-house.

Our Watch Hospital

is always open. A watch must keep time as a train must keep the track. If your watch don't keep time bring it here and we will make it right to smallest part of a second. When a watch leaves our hospital to renew its duel with Time its seconds must be reliable, and we make them so in every case. When a watch runs even with time it's ahead. Ours are;—so are our Clocks and entire stock of Jewelry, Silverware, &c.,—ahead of competition.

TELLER'S TALK AT ASHLAND. It Was a Freely Republic for the Late Republican.

A special from Ashland says the Free-silver Democratic forces failed most signally Saturday in scoring the tremendous success that had been expected, as owing to the inclement weather, and possibly to the dying cause in which their efforts were enlisted, the attendance at the several speeches was distressingly small.

It is placing a liberal limit on the figures to say that there were two thousand visitors in the city, and of these less than a thousand heard Senator Teller, owing to the rain that forced the speaking to be held in the Opera-house instead of Central Park as planned.

In the competitive drill of the Uniform Rank K. of P. at Covington, the first prize of \$150 was awarded to Friendship Division No. 35 of Covington, Captain J. A. Brownfield. Captain Brownfield was also awarded a prize of \$15.00 for being the best Company commander. Captain B. is a former Maysville man, which explains it all.

BASEBALL NOTES. Items of Interest in Our Local Fans and Roster.

In the event of the Cincinnati Reds finishing outside the Temple Cup money, which is an assured fact now, they will at once begin their autumn trip of exhibition games. The trip, so far as it has been arranged, is as follows:

September 28th—Gallipolis. September 29th—Parkersburg. September 30th—Marion. October 1st—Portsmouth. October 2nd—Paris, Ky. October 3rd—Lexington, Ky. October 4th—Cincinnati. October 5th—Wilmington. October 6th—Washington C. H. October 7th—Zanesville. October 8th—Barnesville. October 9th—Cambridge, O. October 10th—Cambridge, O. October 11th—Dayton, O.

The week of the 12th to the 18th is still open. Cities and towns in either of the three states desiring time in that week should address Manager Bancroft at once.

Here's Maysville's chance to show those people that we still have a good club, and Manager Cox should fill in a date.

In case there should be a hitch between the two as to a game here, the Reds are after a team to play against them at the Cincinnati Park on October 4th. The game will be in a measure a benefit affair. Every dollar that comes in at the gate, except of course, "the hit" of the other team, will go to the Cincinnati players. They expect to get a new suit and winter overcoat out of the trip.

Another Piece of Rot. Mr. Bryan Did Not Sit on a Chair in Maysville.

"A party of Huntington young men secured a chair by hook or crook, on which Bryan sat at Maysville Tuesday and were promptly exhibiting it on the train coming home. The Portsmouth delegation planned a surprise on the Huntington men and arranged to get hold of that chair by fair means or foul when South Portsmouth was reached. Some sinner gave the Huntington crowd a tip and they secured the chair in force until the Portsmouth crowd was off the train."—Portsmouth Times.

The above piece of stuff was copied into the Bryan organ down on Second street. The fact is, Mr. Bryan did not sit on a chair during his brief stay in Maysville.

The writer saw him from the moment he reached the platform to the time he left it, and he was on his feet the entire half hour that he spent here, with the exception of the time he was seated in the carriage coming from and returning to the Railway Station.

The "rot" that some of the Bryan papers set afloat is simply disgusting.
